

# M300VC (Head-strap, Valve, Activated Carbon )

## PARTICULATE RESPIRATOR RELIEF FROM NUISANCE LEVEL ORGANIC VAPOR

CONFORMS: NIOSH N95

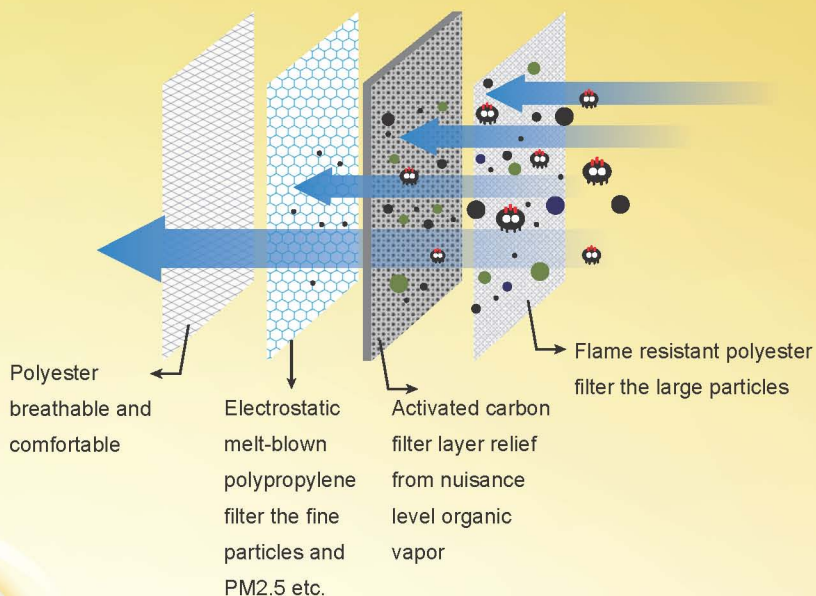

### APPLICATION:

Protection against certain non-oil based particles and welding particles, relief from nuisance level organic vapor, filtration efficiency is more than 95%.

- Industrial dust
- Nuisance level organic vapor
- Welding and metal smelting particles
- PM2.5
- Influenza virus

10pcs/box  
12boxes/case

- 1** Adjustable aluminum noseclip
- 2** Activated carbon filter
- 3** Exhalation valve
- 4** Adjustable buckle head-strap
- 5** Foam liner, perfect fit and comfortable
