

FR/INSULATED COVERALL

FR Cotton Protection with Built-in Visibility Suited For All Of Your Cold Weather Needs.

Why pay more for an FR Aramid?

With Lakeland's Fyrban™ FR Cotton You Get:

- Similar FR Protection
- Better Arc Protection
- Breathes Better and Wicks Better
- And... It Costs Less!

Better Performance Than Other FR Cottons

- Higher Arc Rating
- More Wind Resistant
- NFPA 2112 Reflective Tape, Thread and Zippers
- Extra Reflective Tape for 360° Visibility

More Durable for Longer Wear Cycle

- Reinforced stitching prevents rips and tears
- Heavyweight 9 oz. FR Cotton provides abrasion resistance

Compare the workmanship, features, and attention to detail: you won't find an equal. And you have the assurance of Lakeland-made quality – we don't use contractors.

Coverall Style: ICO8RT13
